

**Response in Reissue Application**  
Reissue Application (10/714,477)

**Remarks**

Claims 1-9, 11 and 13 remain in this application. Applicants appreciate the indication that claims 1-9, 11 and 13 are allowed.

Claims 10, 12 and 14 have been canceled without prejudice and without any adverse admissions with respect to the Examiner's stated rejections.

The Office Action dated May 25, 2006 indicates that Applicants failed to submit a statement to establish assignee's ownership interest under 37 CFR 3.73(b). However, Applicants note that the Consent of Assignee originally filed with the reissue application identifies the reel/frame (011327/0526) at which the assignment of rights to the Assignee is recorded, and therefore the Consent of Assignee satisfies the requirements of 37 CFR 3.73(b)(ii). A copy of the Consent of Assignee filed on November 14, 2003 is resubmitted with this paper, together with a copy of the recorded assignment.

The Office Action also indicates that the previously submitted amendments to claims 8-14 do not comply with 37 CFR 1.173(b). Applicants believe that the new Listing of Claims submitted herewith correctly amends the reissue application.

It is believed that all of the pending claims have been addressed.

If the Examiner wishes to discuss any aspect of this paper, please contact the undersigned.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'John P. Colbert', is written over a horizontal line.
